Panelists	Comments/Suggestions/Recommendations
Panel Chairman Jovanne Alejandrino	<ul style="list-style-type: none">- What are the criteria for receiving the scholarship?- What aspects of the proposed system are visible to the foundation's sponsors?- Does the organization have a hierarchy?- Are the project sponsors willing to put the proposed system into action?- Do they accept applications at any time?- The objectives of the system are insufficient for a capstone project.- Due to the limited scope of the objectives, extra features must be introduced to improve the system's efficacy and efficiency. These features are as follows:<ul style="list-style-type: none">● Application Tracking, which enables continuous monitoring of application progress;● Reminder Notification, which delivers reminders to the user to ensure that tasks are completed on time.● A chat feature that promotes contact between the user and system support; and

	<ul style="list-style-type: none">• Reports, which offer in-depth insights and analysis of system utilization.
Panel Member Gertrude Grace Tampus	<ul style="list-style-type: none">- Is the proposed system capable of receiving requirements such as an application?
Panel Member Nelma Mae Loja	<ul style="list-style-type: none">- The system must include an application for new and interested scholar applicants.- Are there any chances that they will be the ones to select the scholars?
